

YOU CAN PLAY AND WIN AT TEAM DART

Be a Part of the World's Largest International Soft-Tip Dart Tournament

Tournament Divisions for All Skill Levels

That's right! Whether you are a beginner or a master dart player, there is a level for you at Team Dart. The NDA strives to place similar ranked players in levels with other players of the same skill set in every event. In 2007, there were 9 levels in Open Singles 501 and 16 levels in Open Doubles Cricket. Each year, the number of levels for each event is always based on the total number of entries allowing for multiple levels serving multiple skill sets. For example, a player with a 1.86 MPR placed 1st in Level 9 of Open Singles Cricket and a player with a 17.9 placed 1st in Level 8 of Open Singles 501. What does that mean for you? That means that everyone has an equal chance to place in the money and win!

Win Prize Money in All Levels of All Events

That's correct! Players can win prize money in all levels of all events. In fact, in some events you can even win prize money for placing anywhere from 1st to 24th or 1st to 16th. All entry fees are returned to the players as prize money. Places 1st through 4th in all levels of all events also receive a trophy or plaque and photo featured in *ThrowLines* magazine.

**Masters levels have a different prize money scale due to entry fees being higher than Open events.*

Have Fun and Make New Friends

Not only do you have a chance to play the sport you love, you also get a chance to meet people from all over the world and have fun at two player parties during the tournament. Both parties feature a live DJ so you can dance the night away with all your friends.
